Flight IV

Western Heights High School

Oklahoma City, Oklahoma

Foreword

"These are the happiest days of your life--enjoy them." These are words we hear many times during our high school years. Certainly, these were the happiest days of our lives and we did enjoy them.

Gathered within these pages are treasured memories of classmates, teachers, activities, and all that has been a part of our school life at Western Heights.

At WHHS we see drama and emotion portrayed in a thousand ways each hour, each moment, each year. We see both joy and despair in the faces of our students at report card time. The excitement at our games, the spirit at our pep assemblies, the tension of our elections, and the anticipation and joy as we choose our royalty are moments we all shared between August and May.

The publication of this annual has been a challenge to the Flight IV staff. It has required the co-operation of our sponsor, staff, students, and those who have so generously contributed their time, help and co-operation. Our thanks go to everyone who has helped us.

Look closely at your past then go into the future, realizing that

"gone are the yesterdays but the
sun dawns a new tomorrow."

Dedication

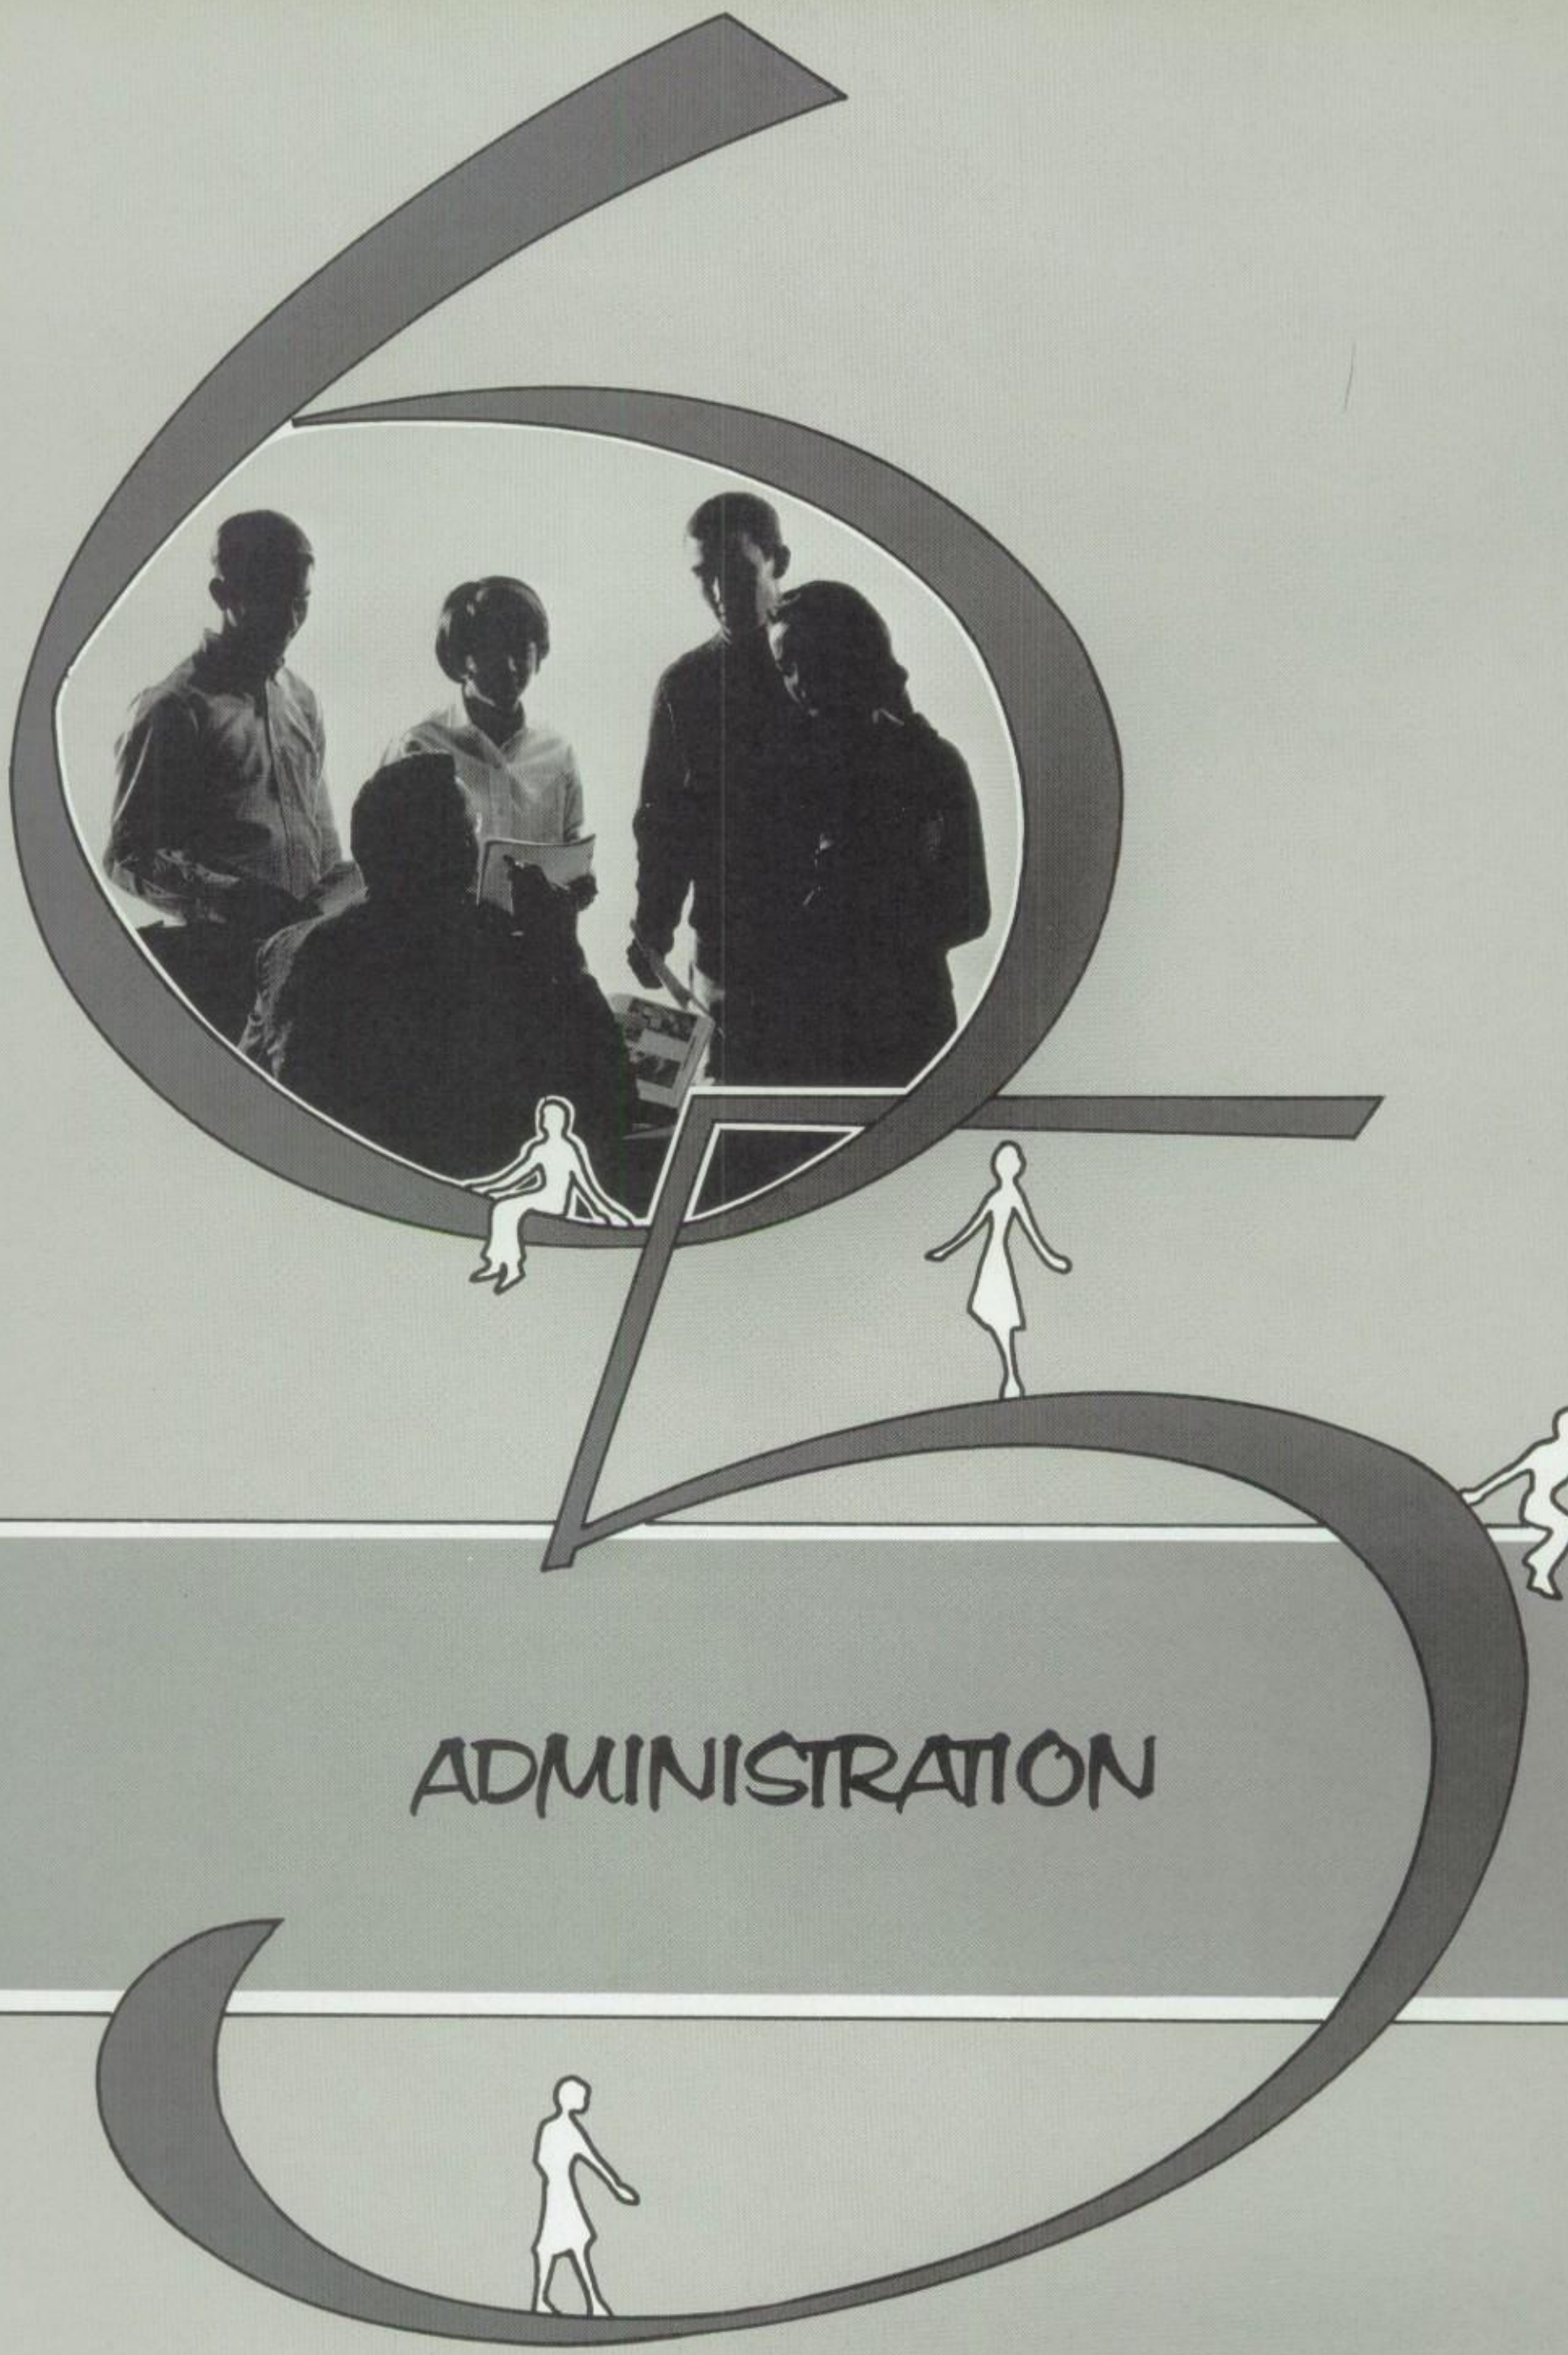
Because he is a friend to all--underclassmen and seniors alike--encouraging, advising, and contributing his warm understanding whenever we need him . . .

Because he has guided us enthusiastically and often lent us the strength for success . . .

Because he instills a love of truth and honor, and by the sincere dedication of his abilities, inspires those about him . . .

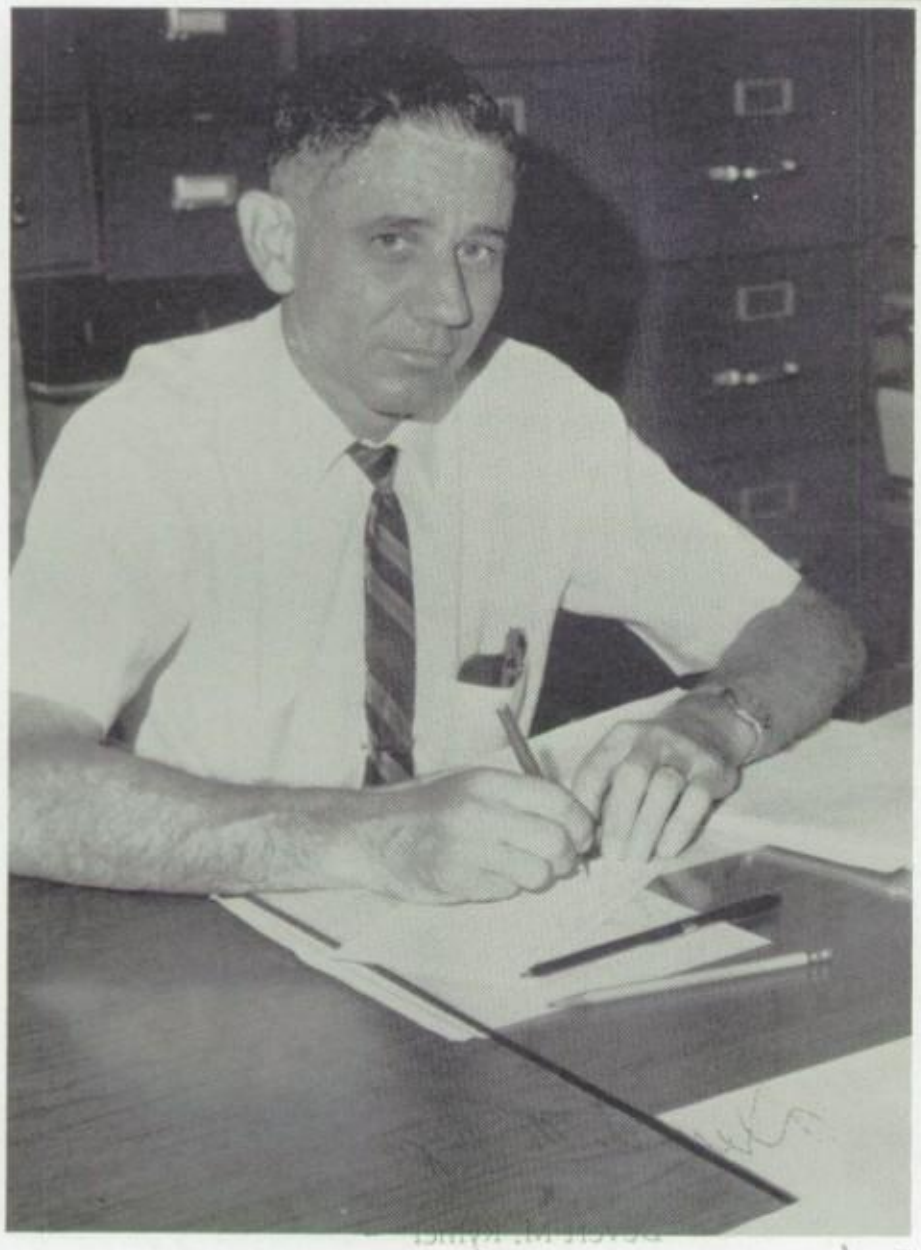
We are exceedingly proud to dedicate this yearbook to . . .

Superintendent Devert M. Rymer



ADMINISTRATION

Meet Your Principals



Some say that education is a boring subject but principals like ours prove that theory to be wrong. Each day their lights shine brightly through the halls of Western Heights. We are proud to have Mr. Carl Hildebrand, high school principal, (above), and Mr. Thomas Hodges, junior high principal, (left), aboard Flight IV with us.

Superintendent's Message

To the students of Western Heights:

Our association has been most pleasant. To you who are leaving, I wish you success in your hopes and aspirations. May you, as graduates, realize that we have helped you in some small measure on your way to becoming well adjusted American adults.

To you who have not yet finished your High School education, may our future relationship be both pleasant and profitable. You will have many opportunities to improve this school and make it a better place in which to get an education. You must accept your responsibilities and perform the duties which are yours. You are urged to meet TODAY'S CHALLENGE in this JET AGE.

The board of Education, administration and faculty are interested in the growth and development of this student body. We know that as you look through the pages of this book you will remember many fine and wonderful experiences that have been yours and ours.

Sincerely,

Devert M. Rymer

Teaching is the future profession of these girls. All members will prosper from the many interesting things that are discussed at meetings even though they may not fulfill their ambition.
They discuss such topics as, how to improve our school systems, how they can better the teaching profession and maintain the same dignity, the same honor, and the same traditions that their past teachers have passed down to them.

James Brandt and Donnie Parker are getting in shape for Western Heights 1964-65 Baseball Team. This is Western Heights' fourth year and the team is looking forward to an outstanding season.

Baseball Team in Action

These boys have worked hard to make this baseball season one of the very best here at Western Heights. STANDING, left to right: Micheal Dunnam, Frank Brandt, Virgil Koelsch, Marvin Loyd, Charles Hale, Donnie Parker; Johnny Mercer, Bud Clark, Mike Thomas, James Brandt.

Coaches Larry Bernstorf and Johnny Haraughty are proud of the work the jr. high boys have completed this year in track.

As Spring comes so does baseball. Here one of our lettermen is "put out" in practice in preparation for the first big game against Crooked Oak.

Fighting hard to get a shot at the basket the boys show their spirit and determination.

Sports Action Shots

In the WH versus Minco game, the boys scramble desperately to get possession of the ball. As the records show, WH finally beat Minco, after four years of trying.

Track is another sport that goes along with Spring. The boys shown here are already practicing for the season to come, which they hope will be a good one.

ACTIVITIES

Out-going-queen, Donna Aker Brandt, happily awaits to hand over her crown to the new 1964-65, Football Queen. Who will be the lucky one?

Football Coronation

Donna Rymer, newly crowned Football Queen, is smiling happily as her escort, Don Parker, senior, hands her the traditional long-stemmed roses.

Miss Sharon Bogle, 1964-65 basketball queen, together with her attendants Miss Kay Kolar and Miss DeLynn Rymer, watch the second half of the game after an exciting half time coronation.

Basketball Coronation

Sharon Bogle gladly accepts the beautiful long stem American roses which are presented to her by her escort, Buddy Clark, Junior.

All the students shown in these two pictures are assigned at least one hour a day to be an aide to a particular teacher.

Teacher Aides

Some of the tasks you find these students working diligently on are grading papers, recording grades, and typing test.

The office aides lend a helping hand to the office help by answering the phone, picking up absentee slips, and running errands during the day in our school office.

Office and Library Aides

Under the direction of Mrs. Helen Hill, the library aides keep the library in excellent order. They may stamp books, shelve them, or whatever else may be needed.

Bob Taylor looks into the face of danger as "Pee Wee" Crawford and Susan Spitler force him to the dance. The Senior play provided many good laughts and the seniors got a chance to portray the typical hillbilly family in "Headin' For The Hills."

Linda Higbee is warning the Darling family "that the next time anything happens - she quits". The Junior play was entitled, "The Darling Brats" and was said to be enjoyed by everyone.

1965 Seniors Present Comical Plays

Don Parker and Bob Taylor carry on a flirtation as Donnie tries to get Bob to marry the Widder.

The Boys Quartet shows that folk music never dies away and is enjoyed by everyone.

Teachers like to pull pranks too. Here Mr. Troutman pulls a practical joke on Mrs. Roberts at the annual Christmas Breakfast.

The cosmetology girls never miss an opportunity to practice their new skills.

School Events Take Place

One of the Junior High cheerleaders is smiling prettily as she poses for a picture.

Mr. and Mrs. Rymer open a Christmas gift they received from the faculty.

The high school pep club are very busy decorating the float for the annual football homecoming.

The Western Heights Jr. High Cheerleaders show vim and vigor during the last junior high basketball game.

Yearly Events Take Place

The faculty members worked hard to prepare the annual Christmas breakfast, which was very tasty to them.

The women teachers had a rough workout when they played the Council P-TA mothers.

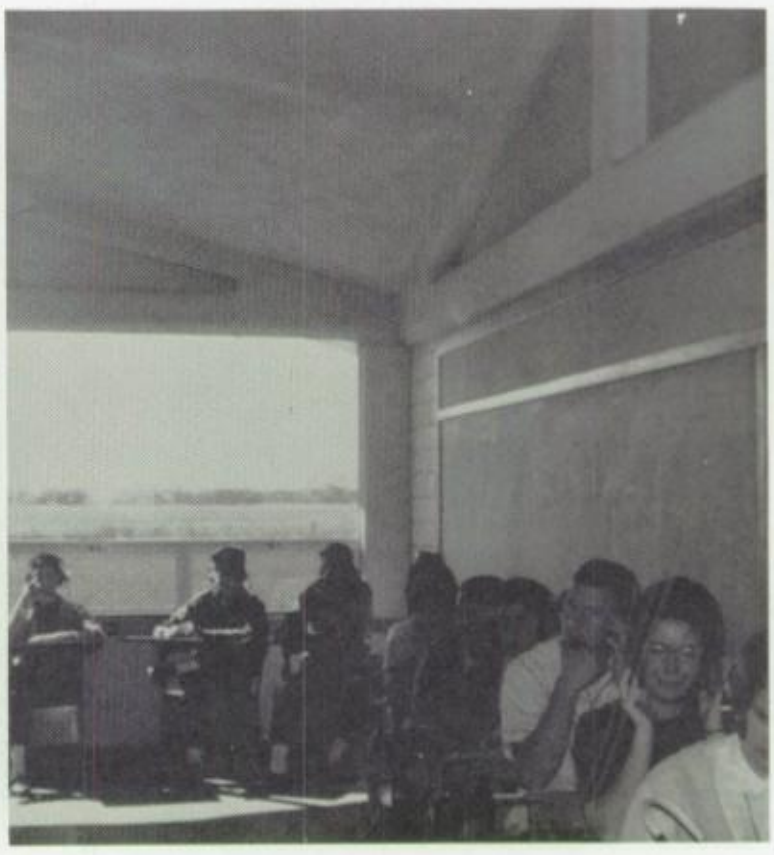
The jr. high girls' physical education classes are observing Physical Fitness Week. The girls are trying very hard to make a basket.

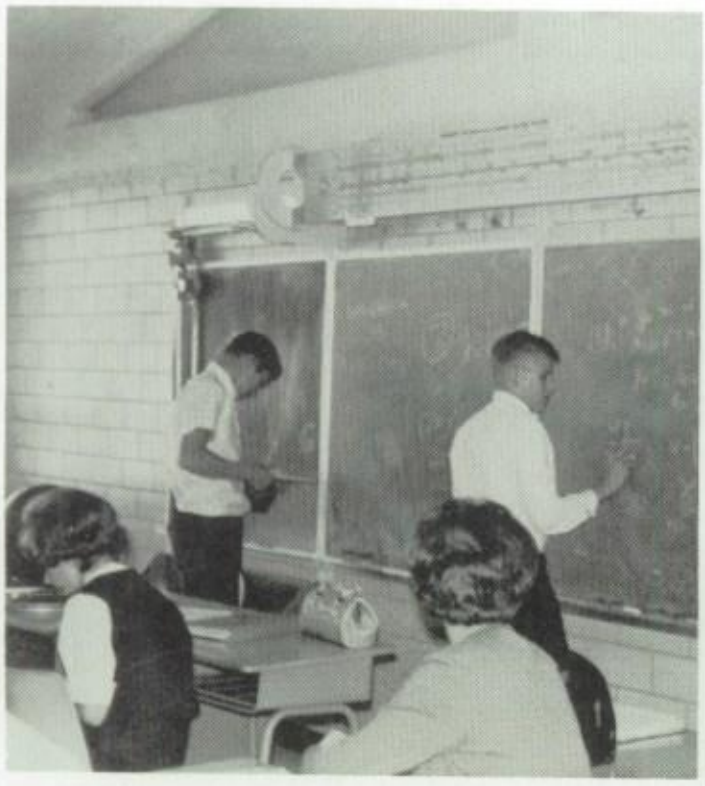
Due to the crowded conditions at Western Heights, the cafeteria is also used as a classroom. Here Mr. Bernstorf's history class is working very hard.

Students Participate in Activities

The German class is trying to understand the foreign speakers on their new lab. Mrs. Gerbrandt is head of the Foreign Language department.

Mr. Troutman and part of his Drivers Education class check the oil before learning to maneuver the car.



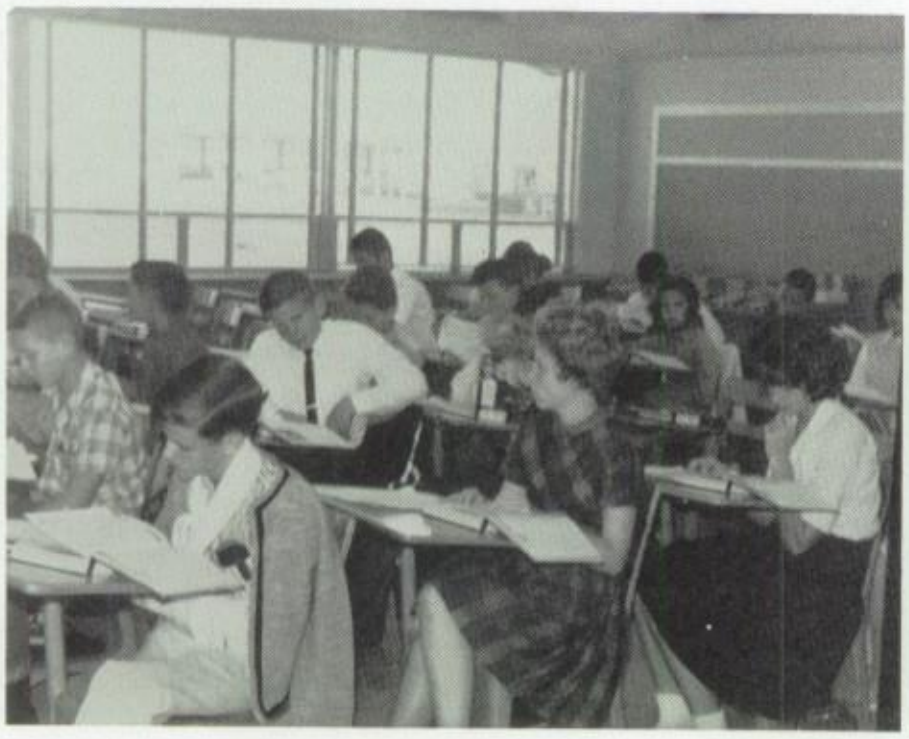


Everyone knows Algebra is hard but James Young doesn't seem to be having any trouble solving his problem.

The Business Machines class looked very studious when we peeked in and caught them taking an extremely difficult filing test. Is Miss Smith really taking advantage of being KOMA Teacher of the Day?

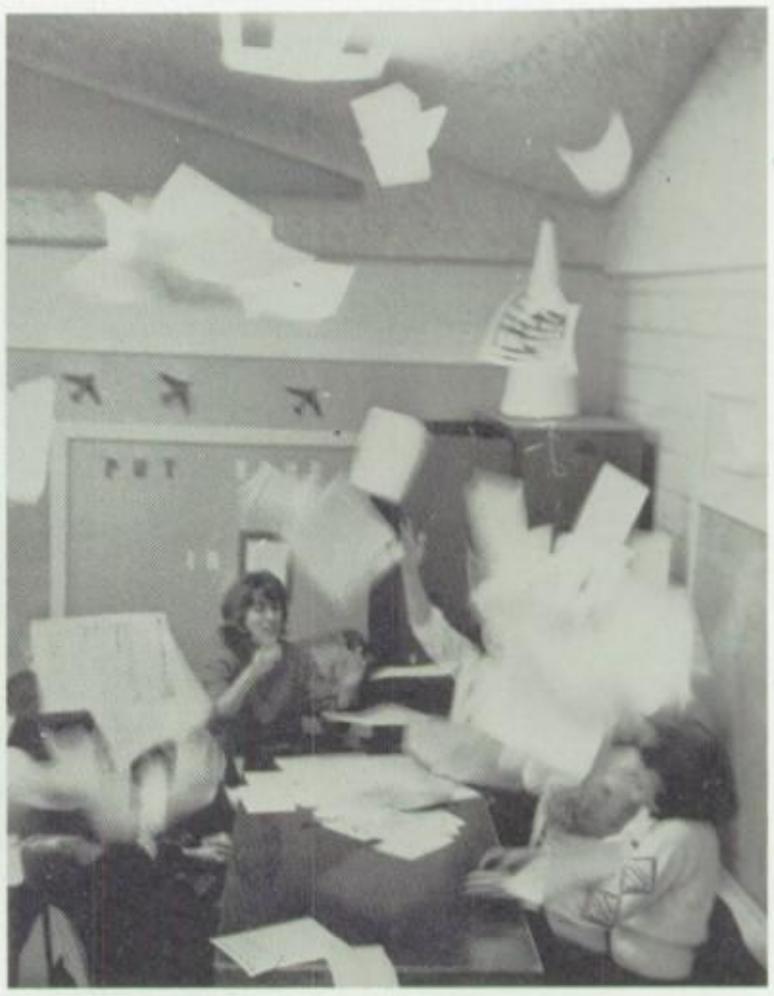
Classroom Activities

Even a broken arm can't keep Tommy Alston from working diligently on his assignments.



This year the Homemaking IV class combined all their sewing skills to make their own formal prom creations.

Louise Edwards and Donna Rymer help out by running the refreshment stand, which is sponsored by different clubs. Each year the clubs run the stand to earn money for their activities.

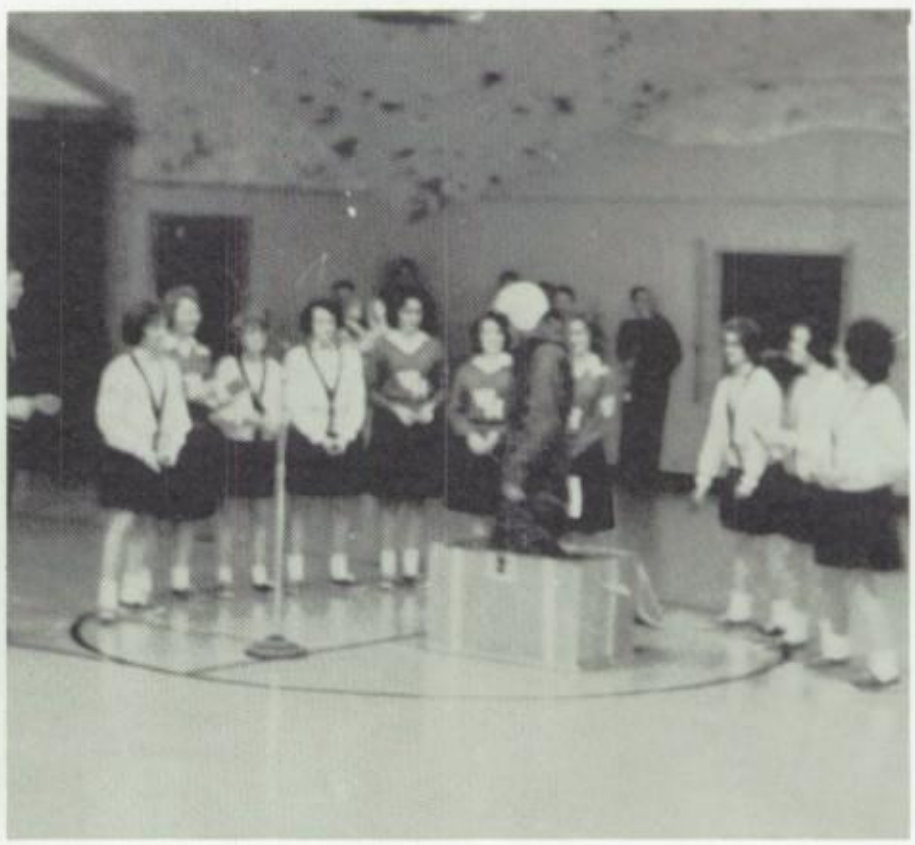


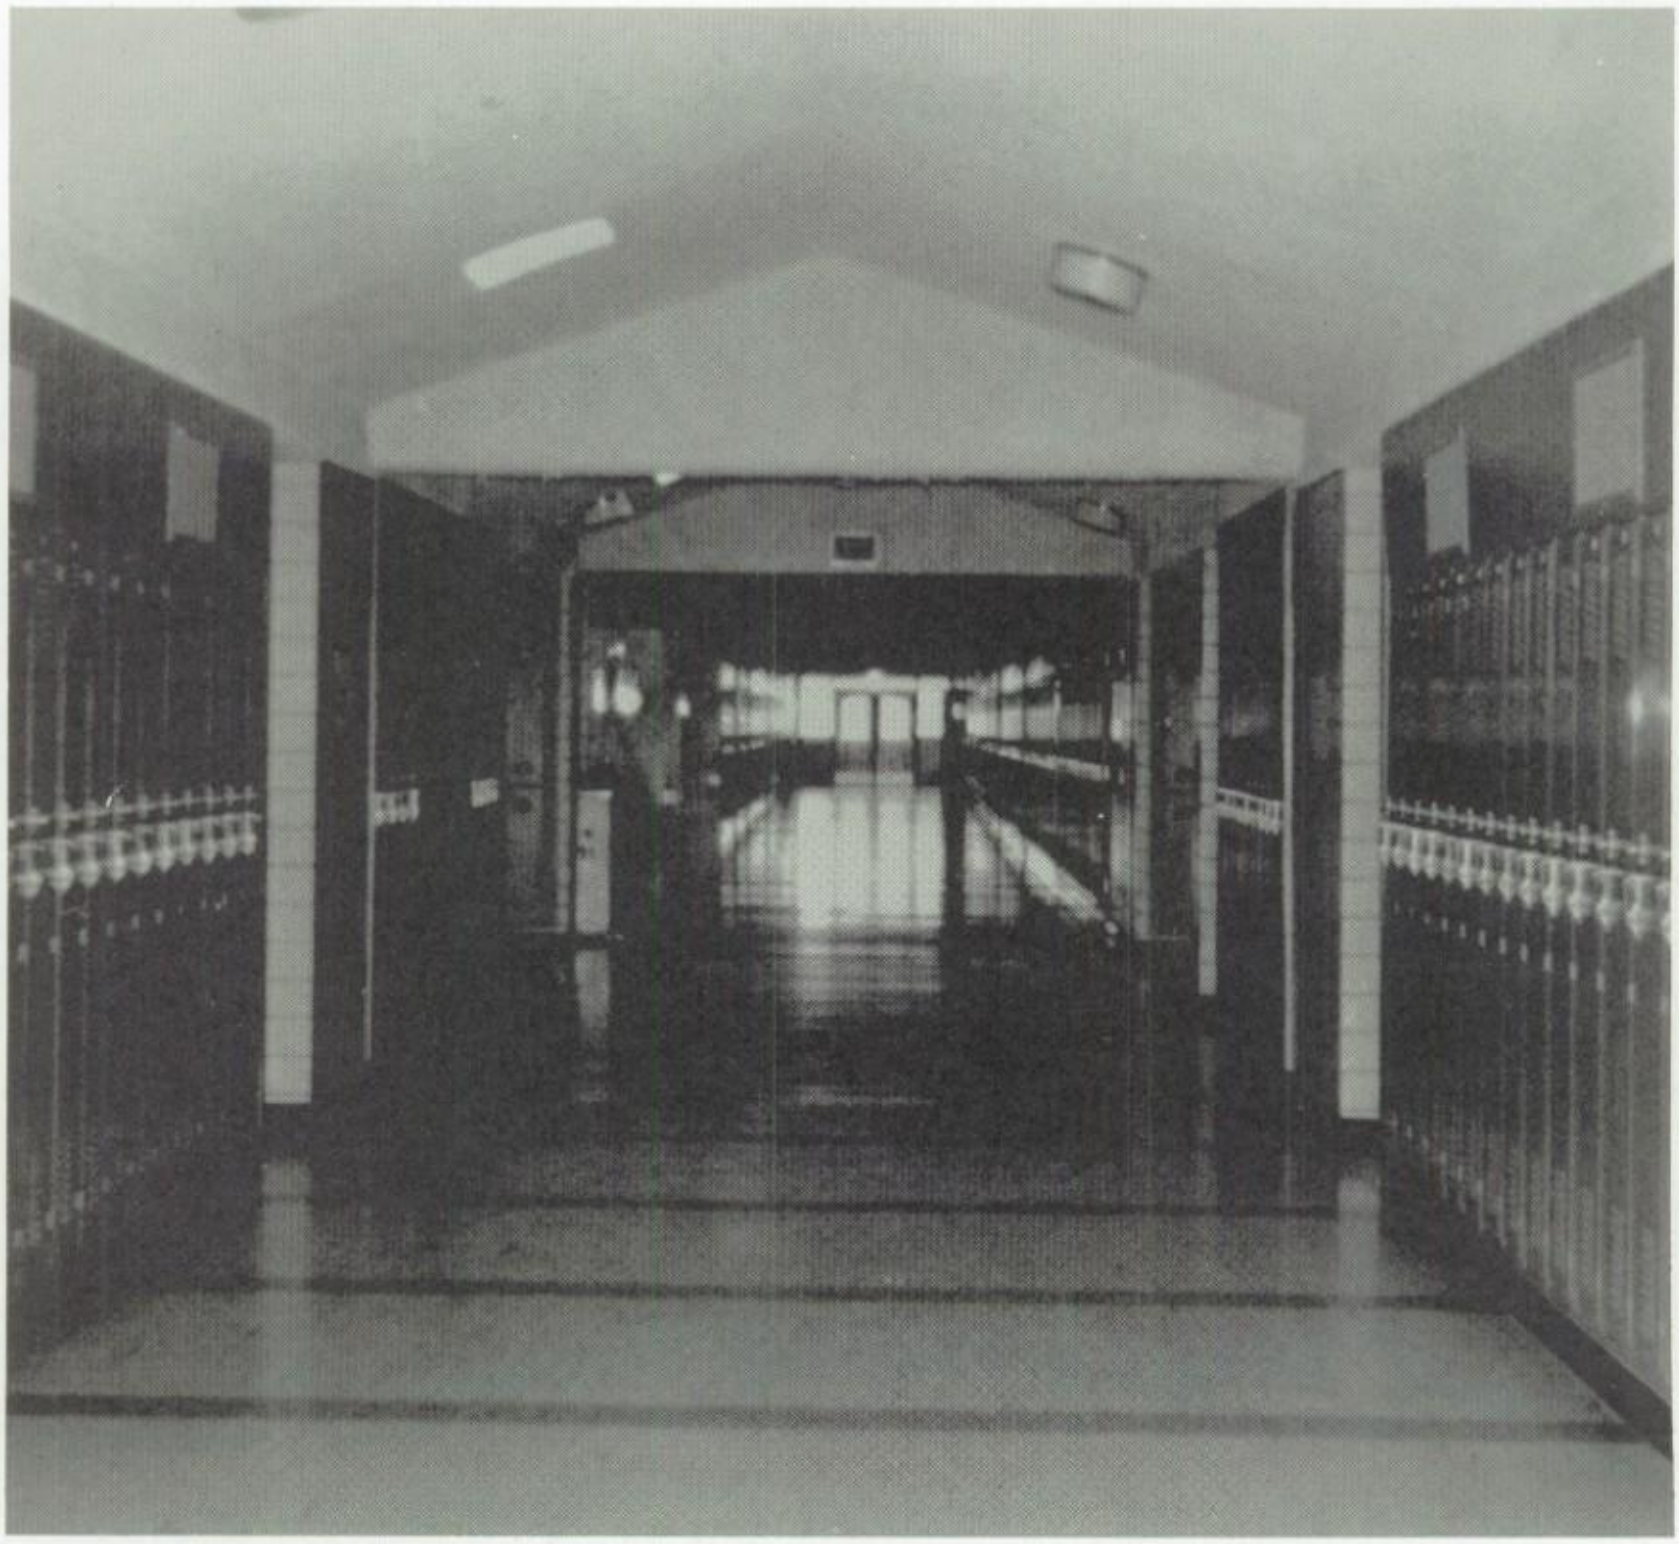
It's over and the annual staff shows no regret. They have worked hard all year on the annual gathering material and meeting deadlines to try to make this year's annual the best yearbook ever.

Social Events

If you think these girls represent the common style of dress at WHHS, you're wrong. They were part of the entertainment that was provided during intermission of the Senior Play, given during the earlier part of the year.

The pep club officers and cheerleaders of WHHS put on a skit before the students to bring back the old school spirit. Also at the assembly was the presentation of Mr. Jettette.





Students' Creed

I believe in keeping my school's traditions as they are made, with high ideals and an open mind.

I believe in the heritage of freedom in school government, in human equality and the principles of self-respect. I believe in always putting God and my faith above all else.

I respect the authority of my superiors and with pride attempt to better myself with justice, honesty, and integrity.

I believe in humble acceptance of victory and an unconquerable spirit in defeat.

I will always conduct myself in a manner that will reflect merit, honor, and excellence upon Western Heights High School, the school in which I believe.
